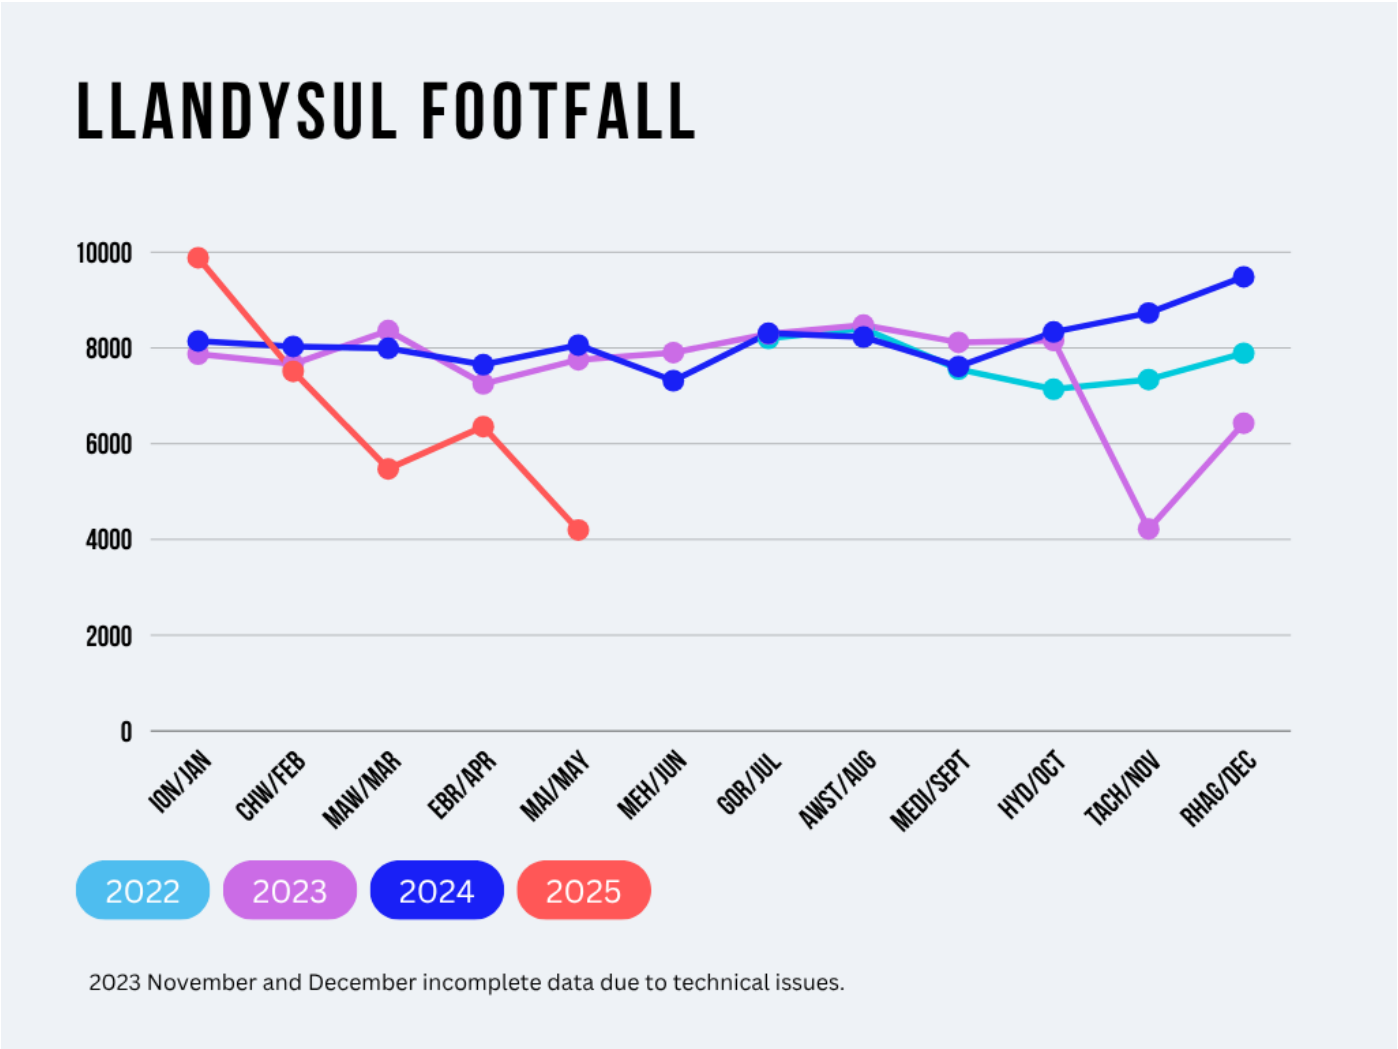
Adroddiad Misol Wi-Fi tref Llandysul Ebrill 2025
Monthly Llandysul Town Wi-Fi Report – April 2025



Notes

1. The business which hosted 2 units closed. This also affected the unit at Tysul Hall as it fed off one of those units. The units at Teifi Law and at Allied Chemists have also been impacted.
2. Which means only the units at the Paddlers and the Pavillion are providing reliable data.
3. Not every device can be detected, so the amount counted is not exact and there are not enough access points to cover the town. However, the data collected might spot any trends over time or identify areas of the town that are particularly popular with visitors.
